

**NEUSPORT**  
FOOTBALL CLUB

## **INJURIES & MID-SEASON CHANGES POLICY**

Once a player has registered with NFC that player is financially committed to the Club and team for the entire seasonal year. A player may not leave NFC to join another soccer club until all outstanding financial obligations to Neusport FC and the team has been paid in full. Player season ending injuries and moves outside of Clark County will be considered on a case by case basis.

### **Injuries:**

If a player is seriously injured or disabled and is unable to play or practice for more than 2 months, they are eligible for a refund for the time they are unable to play on a pro-rated basis. In order to qualify for a refund, a doctor's note must be provided to the Club Administrator stating the type of injury and length of time the player is expected to be out.

### **Released Players:**

If a player chooses to leave the Club for any reason at any time after signing, there will be NO refunds. Upon choosing to leave Neusport, your account must be paid up-to-date before a release will be signed.

### **Players added to the roster mid-season:**

Players joining mid-season will be charged the full \$190.00 registration fee regardless of when they sign during the soccer year. The training fees will be pro-rated depending on what time of the year the player joins.
